# THE BUGLE

VOLUME XXXVII  
PUBLISHED ANNUALLY BY THE  
STUDENTS OF  
CRESCENT HEIGHTS HIGH SCHOOL  
CALGARY, ALBERTA, CANADA

## *D*edication

MR. FLORENDINE

This 37th Volume of the Bugle is respectfully dedicated to Mr. R. Florendine who for six years has devoted his time and energy to the success of our Bugle.

## *A Tribute to Miss Martin*

Miss Katherine Martin, now building up her health at the Coast, has been a valued member of our Crescent Heights High School Staff for eight years. She has taught English and Art. More recently she has devoted her efforts to Art only.

A large number of students have increased their appreciation and skill under "Kay's" inspiring instruction. A high percentage of the Art prizes given at the Annual Stampede have come to Kay Martin's students. The Murals on the walls of our Cafeteria are eloquent evidence of the excellence of the planning and execution carried out by Art students under her able direction. Miss Martin has a distinguished career of scholarship and accomplishment. She engages in a variety of artistic activities in Art circles. She is an artist.

Unfortunately her health has been poor during the last year. Despite adversity she displays courage and fortitude. We hope that her physical condition will permit an early return to our midst at Crescent Heights High School.

H. D. CARTWRIGHT

### PRINCIPAL'S SALUTATION AND FAREWELL

Prevision is better than post vision. Prevision makes it possible for us to make provision. Post vision makes us aware of how wise or unwise we have been and helps us not to stumble over the same stone twice or roll on similar turns. Your parents and you have been demonstrating prevision and wise provision for your future. Soon you will be establishing yourselves in life and providing for your own children.

You have another big responsibility too. Old Mother Nature, with bountiful prevision, provided for human beings adequate resources to supply sufficient food, clothing, shelter and a good living for all, but, so far, most of the world is hungry and imminent war continues. Your prevision should provide not only for your own good but also help to make possible a decent standard of living for all peoples and aid in the elimination of international struggle. You can give a boost to NATO, The United Nations Organization, Colombo Plan and other agencies which are trying to prove that we belong to the species, "Homo Sapiens."

Best wishes for your own success and a faith that you will participate dynamically in bringing about progress.

THE STAFF, *per* H. D. Cartwright.

C.H.H.S., March, 1956.

## EDITORIAL

Again another school year passes leaving us with new found friends, knowledge and experiences. These are the elements which will help to weave our future whether we return to these halls, travel on to wider fields of education or go to our first steady employment.

Benjamin Franklin stated "Energy and persistence conquer all things". No matter what secret the future holds for us these sound words transformed into action can bring accomplishment and success—and success is what we wish to all Crescent students, past and present.

In future years may this book fill the gap in time and help us to recall all that Crescent has meant to us. May it renew the memories of our athletic and musical achievement and again recall the feeling of pride we all hold for our School.

## *Thank You Page*

A great deal of work, and the co-operation of many people are responsible for the Bugle this year.

Thanks go to the Bugle staff who spent many hours in gathering the information and planning this book.

I'd also like to wish Harold Paskall all the luck in the world when he takes over next year.

I don't know what any of us would have done without Miss Wright and Mr. Warwick, who gave unselfishly of their time and assistance.

A vote of thanks also goes out to the Commercial department for their co-operation.

This book would not have been what it is without the art work, contributed by the Art Department.

The Literary you read and enjoy, was provided by the Creative Writing Class.

I'd like to express my gratitude to these and to any one else who has in any way contributed to the success of the 1955-56 Bugle.

## JAMES C. LAING

Crescent's Technical Department is losing a valuable and respected member of its staff this year. Mr. James C. Laing, an instructor of metal work begins his retirement next fall.

Mr. Laing came to Crescent when the new technical wing was built. He became a member of the staff of Calgary School Board in 1933 and previous to his joining Crescent's staff he taught Pre-vocational Classes and then metalwork at Western Canada High School.

Mr. Laing's career has been full and interesting. Born in Aberdeen, Scotland he received his formal education in the Normal School and at Robert Gordon's College. He carried on in Mechanical and Electrical Engineering at Robert Gordon's College followed by courses from the International Correspondence Schools. His apprenticeship was served in Aberdeen and he spent the next few years as a journeyman. In 1914, he was called into military service. After the war, Mr. Laing started up an Electrical Contract Business which flourished until his decision to come to Canada in 1928.

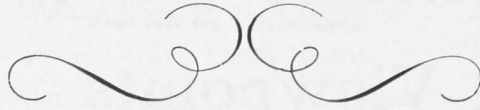

In Calgary, he worked with the now extinct firm of Electrical Engineers Ltd. and with the Otis Elevator Company. He then spent 2½ years as Electrical and Mechanical Engineer at the Western Gem Coal Company in Drumheller before joining the Calgary teaching staff.

We would like to wish Mr. Laing many years of peace and enjoyment during his retirement.

## THE STORM

Across the clear blue expanse of the sky  
Roll on the dark and lumbering clouds.  
They shout with anger from their place on high  
At the lowly mortals beneath their shrouds.  
Their spears of fire they hurl about  
Which cause earth's creatures to cower;  
And leave in their minds not a doubt  
That this is the eleventh hour.  
Then torrents of water they let sway  
Till all the fields are gouged with gullies,  
And acres of topsoil are floated away:  
This is the angry wrath of the bullies.  
Then they retreat—their damage done—  
And the fields rejoice in the warmth of the sun.

JOE SPARLING

## SONNET

When winter comes to stay awhile,  
And the summer trees are bare;  
When nature tries but cannot smile,  
And all the world seems not to care;  
If winter's wind becomes so cold,  
And swirls the frozen leaves around,  
Soon the snow falls with flakes untold,  
A carpet of white to cover the ground.  
But the silence is broken by a yell,  
And children rush out to romp and run.  
For them cold winter holds no fears;  
They can enjoy crisp winter's spell.  
Only they can have such fun;  
To them King Winter is full of cheer.

### MAY QUEEN

This year as in previous years, when spring rolled around the Boys' Association had the task of nominating candidates for May Queen. Eight enthusiastic girls were chosen: Anne Webb, Barb Larson, Dot Bobson, Paddy Healy, Carol Cowell, Anne Regan, Carol Robinson, and Carol Hoines. The boys made a wise choice again this year and Carol Cowell, attended by her ladies in waiting, Anne Regan and Dot Bobson, was crowned May Queen of 1955. Bill Gillespie, president of Boys' Association presented the Queen and her attendants with gifts from the various school clubs.

### FRESHMANS' DAY

Did you know that Hallowe'en comes twice a year? Well, at Crescent it does. Each year, Crescent's first year students have to carry out the gruesome tasks put to them by their superiors, the grades eleven and twelve. This is a yearly tradition at Crescent, which used to last for a whole week, but now is only one-half day long. (This proves that the human race is weakening.)

This year, much to the horror of the girls, the rules were: that all females were to wear curlers in their hair, old shirts and blue jeans rolled to their knees, as well as odd socks and shoes. No make-up of any kind. (Can't you just picture the school corridors on Freshman Day?)

Likewise, the boys had to wear a ribbon in their hair, one earring, lipstick, and an old shirt and pants rolled to the knees.

Even though a lot of work was involved, for the Freshmen, everyone had a hilarious time, doing anything from carrying books, to rolling a peanut down the corridor with their nose.

This is for Freshmen only: If you have any ideas for getting revenge, remember this: There's always a next year.

## PRELUDE

Before the mist of early-rising sun  
The city lay at peace with all the world.  
The streets were silent, and were recovering from  
Then onslaught of shoes, which upon them had been hurled.

From chimneys rose spirals of smoke; blue-grey,  
Like dull steel blades, cutting the pale azure skies.  
The city awaits the wakening of another busy day,  
Reluctant to give up the serenity in which it lies.

The clock in the town-hall apologetically strikes eight,  
The city stretches, reaching out its limbs,  
As if to encompass the people who wait  
As another day of labour is ready to begin.  
Forsaken is the calmness of the city at dawn.  
For when people are about, all solitude is gone.

## BOYS' ASSOCIATION EXECUTIVE

Left to Right—Buddy Gordon, Gene Tillman, Larry McCook, Bill Gillespie, Ronnie Law, Mr. Brown.

## BOYS' ASSOCIATION

Under the sponsorship of Mr. Brown the Boys' Association experienced a very fine year. Officers were: Bill Gillespie, president; Larry McCook and Gene Tillman, vice-presidents; Buddy Gordon, secretary, and Ron Law, treasurer. As well as buying new football, basketball and track equipment, they helped to provide for the new electric scoreboard found in the new gym. They also sponsored the Kick-Off and May Queen dances, which proved to be successful. The work done by Mr. Brown was the main reason that the Boys' Association had such a good year. Financially the season was very good because of the good turnouts that were experienced at the basketball and football games. We are counting on a good year next term and we are sure to have it if we get this continuous co-operation.

## SENIOR FOOTBALL GAMES

### SEPTEMBER 30 —

Crescent opened the season favorably with a 23-0 victory over Western. Scoring after four minutes had elapsed in the third quarter when Hendrickson recovered a Western fumble and went over for a touchdown. Then a pass from Tillman to Dalton clicked for a second major three minutes later. Macintosh converted both. Another fumble proved fatal to Western when Faber went all the way.

In the fourth quarter, Macintosh went around left end for Crescent's fourth major; he kicked the placement.

### OCTOBER 7 —

The senior rugby team defeated St. Mary's; a feat no other team has done since 1953.

Crescent roused a Saint for one point early in the game. Then McGregor went over for the first touchdown. St. Mary's tied up by half time, but Macintosh went over for two more majors, Crescent's touchdowns went unconverted, and making a final 16-6 score.

### OCTOBER 10 —

Thanksgiving day proved lucky for Crescent as they downed the Central team 21 to 8, racking up three straight games.

Central quickly gained a 2 nothing lead but Blazenco went over for a touchdown to start the Crescent team rolling. Macintosh went over and singled for six points; Slater went over for a major and Olsen converted three times and singled for nine more points. Tillman also singled.

### OCTOBER 14 —

Crescent rolled over Western for a decisive 30-5 victory.

The Tillman - Macintosh combination proved very effective against the Western team. Macintosh scored three majors and converted one. Dalton and McGregor each racked up a major while Olsen converted successfully three times and conceded one point on an attempted field goal.

### OCTOBER 21 —

Friday was a triumphant day for the senior footballers. They downed the Central Rams 23-0 to win the Black Shield for the first time since 1947.

The scoring was as follows: McGregor racked up three majors and Tillman scored one touchdown. Olsen converted three times.

HELPING TO BUILD A BETTER ALBERTA

The Blues-and-Whites retained their unbeaten record with a close 7-6 victory over St. Mary's.

Angus McGregor pushed through the St. Mary's line for the first score of the game in the third quarter. Gordie Olsen converted.

Haber of the Saints went over for their major and Zojae converted to tie the score up at 6-6.

In the final minute of play, Wally Macintosh punted into the Saint's end zone to win the game. This was the closest any team has come to beating the Crescent team all season.

HAROLD PASKALL

UNDEFEATED DEFEATS UNDEFEATED

A happy confident and undefeated team left for Edmonton on November 4, to meet another undefeated team for the Alex Ross Provincial Trophy. Victoria Composite High School remains undefeated.

Icy gridiron and a freezing temperature combined with a little hard luck cheated the hard-hitting Crescent team from bringing home the trophy. They were cheered on by 381 Crescentites but were unable to pull through.

Late in the third quarter, Baldwin recovered a Victoria fumble on the Vic 20 yd. line. With little gain on the second down, Macintosh kicked and Olsen conceded the one point. Two minutes later, Macintosh kicked again into the Vic end zone and Calgary roused.

With eleven minutes remaining and the score 2-1 in favor of the Hillmen, Lashuke of Victoria broke loose for a 56 yd. jaunt to the Hillmen's 14 yd. strip. Vic's Johnson went over for the fatal touchdown while the Hillmen stood around and watched him. There was a hankie on the play for a Crescent offside and the Calgary defencemen watched Johnson go over for the major, apparently thinking play had been called.

### THE RALLIES

As in past years, noonhour rallies were held to promote the weekly football games. Rallies this year were exceptionally successful. Many students spent their noon hour solemnizing the sad burial of Western, laid out in a black casket carried by members of the Crescent squad. Neil Cameron officiated at the hilarious services.

Other sections of the entertainment included appearances from members of the Calgary Stampeders' Football Club, and explanations of various plays used in the defeat of Crescent's grid-iron rivals. Deanne Leavett and her majorettes were on hand for many colorful displays. Thanks is extended to Mr. Erickson and his band for providing the music, to Mr. McKenna, Miss Williams and Mr. Brown for their part in making the rallies the success they were.

### THE TRIP TO EDMONTON

On Friday, November 4, Crescent students and staff alike were in an almost unprecedented state of confusion and excitement. After the football squad having fought their way through an undefeated season in Calgary they were to play the victorious Edmonton high school team.

Nearly four hundred students travelled to Edmonton by chartered buses to watch their team play, but first upon reaching Edmonton, was a stop at the University cafeteria for a hot meal. Next was the invasion of Clarke Stadium. Here they were joined by other students, and Victoria's fans. In all there were about 2000 shivering spectators dug into the snow covered Clarke Stadium, to watch the bitter struggle that ended with the Alex Ross provincial Trophy going to the Edmonton squad. Half time entertainment as provided by Crescent's band, majorettes, and cheerleaders made us very proud of our school.

After the game, the high school football fans were present at a sock dance at Victoria Composite's gym. Buses left Edmonton around midnight in preparation for the early morning entrance to our fair (and considerably warmer) city.

### SENIOR RUGBY TEAM LINE-UP

There were three coaches this year instead of one to add needed strength to the team. Mr. Roberts, head coach; Mr. McIlhagga, line coach; and Mr. McNeill as backfield coach. Mr. G. French was in charge of the equipment.

There was a great turnout for training with about 200 to 225 boys, from which only 30 could be used. Scharf injured his knee during practices and required an operation, putting him out for the season.

The line-up is as follows:

Centres .....	Smith, Johnston
Guards .....	Knechlal, Benson, Sorenson, Fawcett, Wright
Tackles .....	Surrendi, Faber, Moroz, Campbell, Conner
Ends- .....	Baldwin, Hendrickson, Slater, Zorn, McIlhagga, Fisk
Halfbacks .....	Macintosh, Blazenco, Osler, Olsen
Fullbacks .....	McGregor, Soellner
Quarterbacks .....	Tillman, Halverson

### JUNIOR FOOTBALL

This year's football team never made a very good showing. They ended up at the bottom of the league with 4 points. Head coach Mr. B. Wily, assisted by Mr. R. P. White and Mr. J. Johnson, attempted to shape a winning football team around the following boys: Bill Middleton, George Frank, Dave Lewis, Allen Whitney, Bill West, W. A. Hopkins, Harold Cliff, Allan Hooper, Doug Gardner, Larry Bennion, Bill Chennells, Ian Morrison, Ted Pamplin, Art Hanes, Wayne Price, Vern Gibson, Gary Watson, Russ Tillapaugh, Dennis Stiles, Eric Kaarsberg, Brian Grover, Jim Edgar, Al Shieman, Pat Murphy, Don Stuart, Norm Talbot, Tom Cheng, Barry Burrows, B. Gardner, Art Pruett and Eddie Fox.

The boys never lost for the lack of trying. They went out onto the field at every game with the determination to win but the cards were stacked against them.

### TEACHERS vs. STUDENTS

Our gridiron stars inflicted a wound in the coaching staff's ego on Tuesday, October 25. They licked the teacher-junior team 15-5.

Mr. McKenna, Mr. White, Butch Roberts, Mr. McNeil, Mr. McIlhagga, Fred Corby, and Neil McNabb combined with the Junior

It was an entertaining game with the coaches adding a little humour with their shifting single wing offence play.

### SENIOR BASKETBALL

Ken McKenna again picked a sensational senior basketball team. They played eight league games and lost only one. In March they met Central in a total point two-game series and emerged victorious. They racked up 102 points, 22 more than Central, to win the Senior Interscholastic Basketball Championship and the Gas Company Trophy.

Here are the members of this great team:

**WALLY MACINTOSH** — A sensational ball handler and scorer, Wally broke two scoring records this season. He broke the record for one game, scoring 33 points, two more than his record of last year. While playing both offence and defence, he led the league scoring with 175 points, breaking another of his last year records.

**COLIN McLEAN** — Playing four positions, Colin is an excellent team man with a knack for hard drive in layup shots. Altogether he scored a total of 80 points.

## SENIOR BOYS' BASKETBALL TEAM

Front Row: Left to Right—John Mudry, Arden Halvorsen, Bill Gillespie, Jim Baldwin, George Stooshnoff.  
Back Row: Left to Right—Wally Macintosh, Ron Komix, Tom Hatch, Al McIlhagga, Colin McLean, Mr. McKenna, Coach.

## JUNIOR BOYS' BASKETBALL TEAM

Front Row: Left to Right—Dave Hordesky, Brian Beatty, Ric McWilliam, Bob Meyers.  
Back Row: Left to Right—Don Watson, George Slater, Bob Gibson, Murray Bell, Norman Sweet, Coach, R. White.

TOM HATCH — Tom played offensive forward and defensive guard. He racked up 48 points on rebounds, layups and set shots.

BILL GILLESPIE — Stopping fast breaks is Bill's specialty, making him a terrific defenceman. He's great on offense too, scoring 40 points.

JIM BALDWIN — Jim is an all-round centre and pivot man. Unfortunately, he sprained his ankle in January and was out of action for a while. In the games he played, he scored 17 points.

DENNIS MARSON — Dennis never played as well as he did last year but was still good on rebounds. He scored 4 points during league play.

ARDEN HALVERSON — Playing all-round offensive and defensive basketball, Arden tried jump shots and long shots from the outside but was unable to score.

ALLAN McILHAGGA — Allan filled centre position on both offense and defense. He specialized on rebounds, altogether netting 9 points.

JOHN MUDRY — John was a first year senior basketball player. Playing guard and forward, he totalled 8 points.

GEORGE STOOSHNOFF — Another first year senior player, George played second string basketball and made a fine showing. He netted 6 points.

RON KOMIX — Ron is another versatile player. He's terrific on rebounds, corner shots and fast breaks. He bucketed a total of 63 points.

#### ALBERTA INTERSCHOLASTIC BASKETBALL TOURNAMENT

Again Wally Macintosh sparked our senior basketballers to victory. It was a 61-51 victory over Jim Whiteclaw's Lethbridge Rams in the Alberta interscholastic basketball tournament. Wally scored 33 points with Tom Hatch and Ron Komix netting 12 and 8 points respectively.

In the game just previous, Edmonton Victoria Composite downed Raymond in a close 57-51 game.

The next night of the tournament, Limon Jacob's Comets from Raymond took the consolation laurels from Lethbridge in a 64-53 game.

In the following game, Crescent, for the second time in sports this year, bowed out to Edmonton's Victoria Composite. Beaten out last fall in football, Crescent was again beaten by Vic, but this time in Basketball.

Don Munro sparked Vic with 26 points to help win the new T. Eaton Trophy. The final score: 54-43.

Edmonton coach Don Macintosh sent out to draw fouls and were able to force out brother Wally, Colin McLean and Bill Gillespie but not before they scored 20, 3, and 6, points respectively.

## BASKETBALL ALL-STAR TEAM

Crescent seems to excel in all sports. She dominated the football all-star team and now has placed three on the senior interscholastic basketball all-star team: Wally Macintosh, Ron Komix and Tom Hatch. Dave Tavender from Central and Western's Tom McNamara rounded off the quintet. The coach picked with the team was our own Ken McKenna.

HAROLD PASKALL

## JUNIOR BASKETBALL

Mr. White, our spanking new assistant athletic director, tried to mold a winning junior basketball team from last year's leftovers and some new material. He failed. The team played eight games, winning only three. "If we had gotten into the finals, we'd have the championship," stated Mr. White after their last game, a victory over Western.

The members of the team are as follows: Russ Tillapaugh, George Slater, Bryan Beattie, Bob Gardner, Norm Sweet, Murray Bell, Rick McWilliams, Dave Horodesky, Bob Meyers, Don Watson, and Ralph Gibson. Other members who are being trained for next year are Mike Hounslow, Paul Stooshnoff, Bob Welty and Bob Baldwin.

The complete team scoring list follows: Slater 75, Beattie 69, Tillapaugh 57, Gardner 51, Sweet 28, McWilliams 22, Gibson 20, Bell 13, Meyers 5, Horodesky 3, and Stooshnoff 1.

The boys went out onto the court for every game with the will to win but fate decided otherwise. They won only three out of eight games.

## HOUSELEAGUE BASKETBALL

In mid-December the amateur basketballers started to show their stuff in houseleague play. They played in both gyms every school day except Tuesdays when the tumblers occupied the gym. The league was divided into two divisions, junior and senior.

There were twelve junior teams from rooms 24, 18, 20, 57, 12, and the Music Room. Brian Grover, Bob Hicks, S. Richardson, Christie Hamilton, Gene Tillman and John Murdy captained the six senior teams.

After a hard season room 57 and room 12, team 3 battled for the junior crown. Room 12 won both of a two-game-total-point series 17-9 and 14-5, only to lose 47-39 in a sudden death final for the school championship. Their opponents and subduers were Tillman's senior team who defeated Richardson's team in the senior loop finals.

## HOUSELEAGUE VOLLEYBALL

The houseleague volleyball featured mixed boy-girl teams formed from the many interested pupils. Mr. White and Miss Barnes divided the many players into 19 mixed teams. Teams 1-9 were in group A and 10-19 in group B. The teams played at noon in the new gym.

Team 2 met team 1 in group A finals and emerged victorious to meet team 18, who knocked over team 19 in the group B finals, for the championship. Team 2 again emerged victorious; they were the volleyball champions.

Then Bill and his team met Lethbridge Friday night only to lose by a heartbreaking 10-9 score. Saturday morning Crescent defeated Lethbridge 8-5, only to lose the final match 11-8. Lethbridge had won the Southern Alberta Championship.

## STUDENTS' UNION REPRESENTATIVE

Front Row (left to right)—Jack Van Horn, Sandra Savage, Tom Hatch, President, Pat McKee, Gary Pottinger.

Back Row (left to right)—Betty Stogre, Carol Hoines, Rita Banack, Dudley Baker, Barry Kyle, Glen Allen, Jim Adams, Eileen Banner, Sherry Rayburn.

### THE STUDENTS' UNION

School days! School days! The little red country school house with its pot-bellied stove has now turned into an immense brick structure with central heating. Not only does time mark material changes in architectural design, but it has brought about a definite change in the student stature. The voice of the student body now receives special consideration through the medium of an organization known as the Students' Union.

Crescent's 1955-56 executive is as follows:

President .....	Tom Hatch
Vice-President .....	Hugh Osler
Treasurer .....	Carol Cowell
Secretary .....	Anne Regan
Fifth Member .....	Eric Friedenberg
Sixth Member .....	Sandra Savage

Mr. Pickard and Miss Wiley have once again contributed much of their valuable time and advice as our sponsors.

To get the year under way, the Union sponsored a Grade Ten rally with the accompanying lyric sung to the tune of Davy Crockett.

"If you want to go to Crescent and be a wheel,  
Better join the Union so you won't be a heel.  
Your Union card is the key to all events,  
So buy a Union card. It really makes cents!"

They also assisted in organizing the trip to Edmonton for the Provincial football playoff. The present school sweater sold by the Boys' Hi-Y was decided upon and designed by Union members. The executive aided in the distribution of the Students' Theatre Cards.

Other activities included Freshman Day, annual Christmas dinner, Alumni dance, and the Graduation banquet. The ultimate event of the year was of course the spring prom, "Serenade in Spring".

Financial assistance in the form of grants and loans was given to the following: Booster Club \$25.00 for purchase of new Cheer slacks; Camera Club \$20.00 towards buying a camera; French Club \$50.00 towards a French scholarship to Laval University; United Nations Scholarship \$55.00; Boy's Senior Football team \$100.00 for jacket crests; Library \$50.00 for purchase of new books and ping-pong equipment for Boys' and Girls' recreation rooms.

It was a very successful year in every respect and this is largely due to the cooperation and support of the students themselves. Keep up the good work and good luck next year!

## DANCES

Football Frolic, Crescent's first dance of the new term was opened in significant fashion by Mr. Cartwright kicking the pigskin off the stage. The dance was sponsored by the Boys' Association, with music supplied by the "Bluenotes." Jock Osler was the M.C.

The Victory Dance was held after Crescent's 7-6 victory over St. Mary's. This conclusion to an undefeated football season had as its M.C., Cliff Hendrikson, and the Melodians in the bandstand.

The Girls' Association annual dance, the "Snow Ball" was held early in December. North Hill merchants donated prizes for various dances, Ken McLaren was the Master of Ceremonies and Russ Tillapaugh spun the disks.

January 13, was chosen for the opening of the New Gym. To celebrate the occasion both Crescent's senior and junior basketball teams were victorious over the invading Western rivals. During the intermissions, entertainment was provided by the school band, cheer leaders, the tumbling club and Trampoline experts. Mr. F. Woodman officially opened Crescent's pride between the two games. Later a dance was held.

#### C.H.H.S. BAND

The Crescent band, this year consisting of twenty-five members, has spent a busy and productive season under Mr. Erickson. When the Crescent footballers went to Edmonton, the band went along to provide half-time entertainment. The band assisted in the opening of the new auditorium. At the Christmas Assembly, the band presented several members; as well as a trumpet trio (Don Douglas, Ron Will, Mel Shepherd) and a clarinet duet (Gordon Shoults, Gerald Baisch.)

At the Kiwanis Musical Festival, the following soloists excelled: Gordon Vickers, Barry Fawcett, Don Douglas, Gordon Shoults, and Norman Barnecutt. The band was well received; and the Crescent Heights Brass Ensemble (Don Douglas, Ron Will, Eric Haynes, Barry Fawcett, Gordon Vickers) was awarded the highest marks in the festival. Soloists Gordon Vickers and the Crescent Heights Brass Ensemble were invited to play in the Grand Concert of the Festival winners. There was also a concert of Festival winners at Viscount Bennett School. The C.H.H.S. Band played at the track meet, supplied the processional and recessional marches at the Grade XII graduation exercises. The Ensemble was featured at these exercises.

#### GIRLS' ASSOCIATION EXECUTIVE

Left to Right—Miss M. C. Wylie, Pat Phillips, Jackie Maxwell, Violet Davies, Sharon Forrester.

Under the leadership of Miss Wylie, and Jackie Maxwell, Crescent's Girls were successfully guided through another year full of activities. Their annual dance "The Snow Ball" netted \$40.00 for the organization. Other activities included a candy sale, a shag, a fashion show and tea. Money raised in these various efforts paid for girls' sports equipment, and the crests and pins received by outstanding girl athletes on Awards Day.

## GRADUATION BANQUET

At 6:30 p.m., Friday, April 21, graduating students sat down to a cold plate banquet in the school cafeteria. Following the meal Mr. Cooper, in his remarks, urged some of the students to consider following the "rewarding" profession of teaching. Gary Robertson proposed an hilarious but heart-felt toast to the staff which was answered by Mr. Pallesen. At this point Carlo Surrendi played "Trees" at the piano. Carol Robinson gave the Toast to the Alumni and was answered by Jack Finday. Mr. J. S. Prach, the Guest Speaker, completed the program which was enjoyed by all. The Students' Council earned the thanks of all for their successful efforts.

## GRADUATION EXERCISES 1955

Strains of "Fame and Glory," as played by the School Band, ushered last year's Graduation Class into the auditorium on the evening of Thursday, June 9.

Following "O Canada," the Invocation was delivered by the Reverend D. A. Ford, and chairman Mr. G. P. Greenwood, a Public School Trustee, gave his address. Later in the evening, Mr. G. L. Iverson addressed the graduates, informing them of the variety of opportunities now beckoning to them. Another high-light was the Valedictory address by Florence Venables.

The ceremony of graduation in Sections II and III of the program, was handled equally by Mr. H. D. Cartwright and Mr. W. H. Cooper. Each introduced about half of the class which totalled 271 members, the largest in Crescent's history.

Responsible for many fine selections throughout the program, were Mr. Erickson and the School music department. The Glee Club, the Boys' Chorus and the Band each held the spot-light in turn. Marvin Dickau played "Mazurka in B flat." A vocal solo, "Friend of Mine" was sung by Wesley Bettcher, and everyone present was asked to join in the hymn "Unto the Hills" after the second group of graduates had been presented.

Many thanks to all the students, teachers, and businessmen who carried out their portion of the program with such success.

## THE OPERETTA

Naughty Marietta, a comic opera, by Victor Herbert, was held on March 7, 8 and 9. Choreography was created by Carol Barnes, drama led by Mrs. Young and the music directed by Mr. Erickson. The cast consisted of: Gary Miller as Captain "Dick" Warrington, Barry Fawcett as Lieutenant-Governor Grandet, Carlo Surrendi as Etienne Grandet (his son), Walter Shoults as Sir Henry Blake, Erick Haynes, Vern Strang as Rudolfo, Simon de Vries as Florenze, Lorna Habberfield as Marietta D'Altena, Helen Guerin as Lizette, Judith Pearson as Adah, Elizabeth Webb as Felice, Ann Gillespie as Franchon and Bev. Sharp as Nanette. Others in the cast were night-watchman, pirates, Indian, knife-grinder, town-crier, Captain Dick's followers, Spanish dancers, flower-girls, can-can dancers, casquette girls, members of the chorus and orchestra, the stage crew, lighting and costumes.

The story in short, begins when Marietta escapes from France to New Orleans. There she meets Captain Warrington who becomes her friend and helps her escape detection. In the meantime, Etienne, otherwise known as "Bras Pique" the bold pirate, has taken a liking to Marietta and asks her to be his bride. She is about to accept when Captain Dick arrives and accuses Etienne of being a notorious pirate.

In the end, Marietta is happily united with Dick.

The operetta was a huge success and it drew very favorable criticism from the critics.

Activities in the club included sponsorship of a dance and the responsibility for the coke bar at other dances. Funds raised from the sale of pennants, cheer-books and candy were used to help pay for new outfits for the Cheerleaders and Majorettes. Back Row (left to right)—Betty Anne Sykes, Marg. McDowell, Edna Dickson, Anne Vander Veer, Nina McGowan, Marilyn Lloyd, Lorna Parkins, Pat Kirkwood, Deanne Dmytruk, Sheila Lauderdale.

The Y-Teen Club, with Miss O. Jagoe as sponsor, had a very interesting and successful year. The executive consisted of Paddy Healy, president; Reva Thomas, vice-president; Helen Ridley, secretary; Inge Zeidler, treasurer, and Nina MacGowan, Gamma Chi Rep. The informal initiation party also included the induction of the officers. The girls were formally initiated at the Recognition Service held at the First Baptist Church on November 13. Money raising projects this year included two candy sales and an auction sale. A Valentine party was held on February 11 for the children of the Riley Home. Speakers this year have been Miss Zona Stewart, a social worker; Mrs. T. P. Cranston, a physiotherapist and Larry McCook, who spoke to us about the Minot Conference. To fulfil the spiritual part of the purpose of the club visited various churches of the city, including The Church of the Latter Day Saints of Jesus Christ; St. John's Catholic Church; Pentecostal Tabernacle and Jehovah Witness. In addition to the initiation party, two other parties were held; a toboggan party and a progressive supper followed by a sleeping party. The Calgary Y-Teen's were hostesses this year to the Alberta Y-Teen Conference with the banquet being Crescent's responsibility. The girls also attended special beauty class for Y-Teens held by Miss Catherine Cameron. The Y-Teens again assumed responsibility for running of the Lost and Found Office. This year, as in the past, the Y-Teen will present two leadership awards, one to a Grade XII boy and another to a Grade XII girl, who have shown leadership ability.

### SEVEN COMMANDMENTS FOR UNDER GRADUATES

1. If thou settest any value on thy life, drink not of the hall fountains for verily they are misplaced shower baths.
2. Present thy teachers with such priceless treasures as gum, ink, etc., for even as the rain bringeth forth flowers, so timely gifts bring forth good marks in due season.
3. Beware of creatures of the weaker sex for yea do they bite.
4. If thou wouldst please thy principal spend thy spares strolling up and down the corridors, yea and even to the corner drug store.
5. If while investigating the chemistry lab., thou hearest Mr. Pickard approaching, straightway get thee hence or thou art surely doomed to die.
6. Look ye upon the seniors with jealous eye, but if thou imitatest them the downfall is certain.
7. Trust not thy life to the front entrance stairway, heaven may be more safely reached.

## HUMOUR

Judge: Why don't you settle this thing out of court?

Defendants: That's what we were doing when the police came and interfered.

Prospective Roomer: This window is quite small. It wouldn't be much good in an emergency.

Landlady: There isn't going to be an emergency, mister. My terms are cash in advance.

"Perhaps you'd better fetch the manager, young woman", snapped the fussy customer. "No doubt he'll have more sense than you seem to have."

"He certainly has, madam. He went out when he saw you come in."

Customer: Well, I guess I'm ready to go.

Saleslady: Pardon, madam, here's the hat you bought; that's the box you're wearing.

Definition of an echo: The only thing that ever cheated a woman out of the last word.

"I hope you paid your taxes with a smile this year."

"I wanted to, but the man insisted on cash."

The world's worst golfer, after an especially trying hole, said to his caddy: "The only reason I play this game is to develop self-control."

"If that's what you want, sir," came the reply, "you ought to try caddying."

Critic: Where do you get the plots for your stories?

Author: I dream them.

Critic: My, how you must dread going to bed!

A milk bottle was fished out of the Pacific and found to contain a piece of water-soaked paper. But the writing on the paper was too faint to be deciphered. Clearly it was a case for the FBI.

Various tests were made and acids applied. At last six words stood out with startling clarity—"Two quarts of milk, no cream."

Young Arthur: "Dad, what part of speech is woman?"

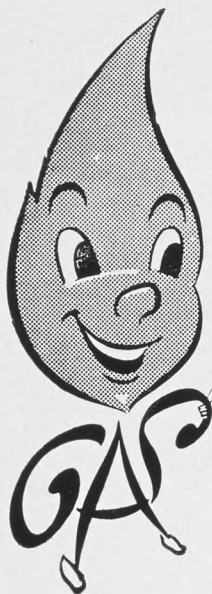

Dad: "Woman, my boy, is not part of speech, she is all of it."

Businessman: I can't make out from this letter whether it's from my tailor or my lawyer. They're both named Smith.

Secretary: Why, what does it say?

Businessman: I have begun the suit. Ready to be tried on Thursday. Smith.

A traveller in the middle of the Mojave Desert came upon a man in a swimming suit.

"Where on earth are you going?"

"Swimming."

"But," argued the traveler. "You're a hundred miles from the sea!"

"Yes," agreed the swimmer, "Crazy beach isn't it?"

Vera: "Been thinking about faults."

Violet: "And what is your very worst fault?"

Vera: "My vanity. I spend hours before the mirror admiring my beauty."

Violet: "That's not vanity. It's imagination."

"Too bad about the disappearance of Professor Smith. He was a profound thinker."

"Yes, he was always thinking, no matter where he was. The last time I saw him he was in swimming and suddenly called out: "I'm thinking, I'm thinking!"

"You fool! Professor Smith spoke with a lisp."

Victor: "You college men seem to take life pretty easy."

Tim: "Yes, even when we graduate we do it by degrees."

Dick: What do you throw out when you need it and take in when you don't?

Betty: I give up.

Dick: An anchor.

Freshman: "The amount of money that a fellow's father has doesn't seem to cut much figure here."

Sophomore: "No, it's the amount of the father's money that the son has."

## **HUMOR**

Her lips quivered as they approached mine. My whole frame trembled as I looked in her eyes. Her body shook with intensity and our lips met, and my chin vibrated and my body shuddered as I held her to me.

Moral: Never kiss with the engine running.

George: What kind of looking man is that chap Gableton you just mentioned? I don't believe I have met him.

Henry: Well, if you see two men off in a corner anywhere and one of them looks bored to death, the other is Gableton.

Popular Author: You know, I get richer and richer, but all the same I think my work is falling off. My new work is not as good as my old.

Critic: Nonsense! You write just as well as you ever did. Your taste is improving—that's all.

Diogenes was wandering aimlessly around town with his lantern. "Still looking for an honest man?" sarcastically inquired a policeman.

"No!" snapped Diogenes. "For a parking place."
